If you would like for SafetyLit to continue, please make a donation by clicking the “Donate Now” button below. Even if your donation is only \$5 or \$10 it will be helpful. Recently, two potential donors considering large contributions said that they would only consider giving to SafetyLit if a substantial number of readers/users made contributions – even if the contributions were quite small. A large number of nominal donations would be a sign that SafetyLit is worth sustaining.

The SafetyLit Foundation has been designated a not-for-profit 501(c)(3) public charity by the US IRS.

Recently, two potential donors considering large contributions said that they would only consider giving to SafetyLit if a substantial number of readers/users made contributions – even if the contributions were quite small. A large number of nominal donations would be a sign that SafetyLit is worth sustaining.
