Is this pdf version too cluttered and too long? There are alternatives:

- 1) Use your PDF viewer's "bookmarks" (Adobe) or "Table of Contents" (Preview) function** to jump to categories of interest to you. All items appear under several categories.
- 2) You may want to view the [Web Version](#).** This allows you to select tick boxes to only see items in the categories the meet your interests. This is also the best version for users with a slow internet connection.
- 3) Try using the [My SafetyLit tool](#).** Register to log in and automatically find articles on the topics you want, week after week, after you set your preferences the first time. Soon the options and limits will allow you to fine-tune the weekly update to closely match your needs.
- 4) Consider subscribing to one or more of the SafetyLit RSS feeds.** An added benefit to this is that you can read the update in near real-time (as items are entered into the database) or as infrequently as once a month without missing anything.

The SafetyLit Foundation has been designated a not-for-profit 501(c)(3) public charity by the US IRS.
